

i'm **hi!**
graphic
design
ER.

about

my name is **orkhan shaig**. born and raised in Baku. inspired by **surrealism artists** and **scientists**. i have developed interest in art and design and enjoyed drawing, sculpting since young. at the age 16, i begin exploration into this field. from then, i never stop venturing into design. even till now, i never stop learning and questioning on how can **design** help to improve our lives.
